SERVICE ESTIMATE RATE SHEET

2026 · Estimated ranges only · Not a quote

**Important:** The figures below are **estimated ranges only**. They are **not quotes, guarantees, or a binding offer**.

Final pricing may vary based on complexity, forms required, number of documents, filing status, business structure, deadlines and rush fees, scope of work, incomplete records, state or local requirements, and similar factors that typically affect professional service pricing. A confirmed fee is provided only after discovery or consultation.

## Tax preparation

| SERVICE                                               | TYPICAL SCOPE                                 | EST. RANGE     |
